Purpose

The Audit Committee of the Board of Directors (the “Board”) of Cardiff Oncology, Inc. (the “Company”) oversees Cardiff Oncology’s accounting and financial reporting processes and audits of its financial statements on behalf of the Board of Directors and provides advice with respect to the Company’s risk evaluation and mitigation processes. The purpose of the Audit Committee established by this Charter will be to monitor and advise the Board on:

1. the integrity of the Company’s financial statements and disclosures;
2. the independent auditor’s qualifications and independence;
3. the performance of the Company’s internal audit function and independent registered public accounting firm;
4. the adequacy and effectiveness of the Company’s internal controls;
5. the Company’s compliance with legal and regulatory requirements; and
6. the processes utilized by management for identifying, evaluating, and mitigating strategic, financial, operational, regulatory, and external risks inherent in the Company’s business, including but not limited to, cybersecurity (the “Risks”).

The Audit Committee will undertake those specific duties and responsibilities listed below and such other duties as the Board from time to time may prescribe.

The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company’s financial statements. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to conduct audits or determine whether the Company’s financial statements and disclosures are complete and prepared in accordance with generally accepted accounting principles and applicable rules and regulations. This is the responsibility of management and the Company’s independent auditors.

The Company’s independent auditors shall report directly to the Audit Committee.

Charter Review

The Audit Committee will review and reassess the adequacy of this Charter at least once per year. Additionally, to the extent and in the manner that the Company is legally required to do so by the rules of the Securities and Exchange Commission (the “SEC”) or applicable stock exchange, this Charter (as then constituted) shall be publicly filed.

Membership

The Audit Committee shall consist of at least three members of the Board who will be elected and serve at the pleasure of the Board. All members of the Audit Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall be an "audit committee financial expert," as defined by SEC regulations, and at least one member of the Audit Committee must meet the "financial sophistication" requirement set forth in the Nasdaq Stock Market listing standards (a person who satisfies the definition of "audit committee financial expert" will be presumed to have financial sophistication). No member of the Audit Committee can have participated in the preparation of the Company's or any of its subsidiaries' financial statements at any time during the past three years.

In addition, all members of the Audit Committee shall be independent of management and the Company and free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as an Audit Committee member. This additional requirement is intended to ensure that each member of the Audit Committee meets the independence standards and has the financial expertise required by the Rules of the Financial Industry Regulatory Authority, the Nasdaq Stock Market (or other applicable stock exchange), the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder (collectively, the "Exchange Act"), the Sarbanes-Oxley Act of 2002, and all other applicable rules and regulations. The Audit Committee will evaluate its members for compliance with these standards on an annual basis.

Meetings

At any meeting of the Audit Committee, a majority of the members of the Committee shall constitute a quorum.

The Audit Committee will meet with the Chief Executive Officer and the Chief Financial Officer of the Company at least quarterly to review the financial affairs of the Company. The Audit Committee will also meet with the independent auditor of the Company at least once quarterly, including upon the completion of the annual audit, outside the presence of management and at such other times as the Audit Committee deems appropriate to review the independent auditor's examination and management report. The Audit Committee or chair may meet with the internal auditor of the Company or individuals performing those functions on behalf of the Company (the "Internal Auditor") at such times as the chair deems appropriate. The Audit Committee or chair may also meet separately periodically with management, the Internal Auditor, the independent auditors, and counsel to discuss issues and concerns warranting the Audit Committee's attention.

Authority and Responsibilities
